Dear Mr. Brennan

I am writing to follow up on my correspondence with your predecessor Noel Lavery, prior to the general election, regarding the Renewable Heat Incentive scheme.

In my letter of 24 October I requested that Mr Lavery shared the findings of Andrew Buglass's report on hardship among RHI participants and the findings of Cornwall Insight's review of the RHI tariff structure with my Committee. The Committee will shortly be re-established for the new Parliament, and I would be grateful if you would provide these reports once they are completed. I also note that the Northern Ireland Assembly Committee for the Economy has been re-established, and ask that you also share both reports with that Committee.

Yours sincerely

Simon Hoare MP
Chair Elect, Northern Ireland Affairs Committee
