Dear Mel,

COVID-19 LENDING DATA

Thank you for your letter of 11 May 2020 regarding Covid-19 lending data.

I hope you will have seen that HMT has been releasing weekly figures since 12 May 2020 for the three schemes which show continued support for thousands of businesses. Government also released the first weekly data on the Future Fund on 29 May.

I have noted your further data requests in the context of the continued Parliamentary and public interest in ensuring the success of these schemes. I am actively considering what further data can be made available in the future, while balancing the sensitive commercial nature of this information for lenders.

Many thanks for your continued interest and support in ensuring the success of these critical lending schemes.
