Dear Darren,

Central Arbitration Committee Annual Report 2019/20

I am writing to let you know that the Central Arbitration Committee's annual report for 2019/20 is being published today, on 9 July. The Central Arbitration Committee is a public body with responsibilities to determine certain issues under trade union law, including union applications to be recognised for collective bargaining purposes.

I attach a copy for information and have arranged for copies to be deposited with the House Libraries. An electronic copy has also been provided to them.
