Dear Dianne,

I am enclosing a letter which the Trade Secretary has today sent to the Chairman of the International Trade Committee (ITC) regarding FTA scrutiny and the Trade and Agriculture Committee's reports on the Australia and New Zealand FTAs. I believe this letter is relevant to you given these issues are of high interest to your Committee and all commitments made to the ITC with regards to FTA information sharing apply equally to the International Agreements Committee.

Please do let me know if there are any aspects of this letter that you would like to discuss.

Yours ever,

Lord Grimstone of Boscobel, Kt
