I. SPECIAL INQUIRY COMMITTEE PROPOSALS

The Committee deliberated in private.

The Committee moved into public session.

At 10.45am Lord Moynihan presented his proposal for a National Plan for Sport and Recreation Special Inquiry Committee.

At 10.55am Lord Ravensdale and Lord Browne of Ladyton presented their combined proposal for a Net zero carbon emissions by 2050 Special Inquiry Committee.

At 11.10am Lord Rees of Ludlow presented his proposal for a Risk assessment and risk planning Special Inquiry Committee.

The Committee resumed meeting in private session, and deliberated further on the proposals.

Whilst considering that all the shortlisted proposals had merit, the Committee *agreed* to select Lord Rees of Ludlow's proposal for a Risk assessment and risk planning Special Inquiry Committee and Lord Moynihan's proposal for a National Plan for Sport and Recreation Special Inquiry Committee. This decision would be reported to the House in a separate report in the usual way.

2. REVIEW OF HOUSE OF LORDS INVESTIGATIVE AND SCRUTINY COMMITTEE ACTIVITY IN 2019-2020

The Committee *agreed* the Chair's draft highlights report **L/19-21/65**, with a small number of drafting amendments.

3. COMMON FRAMEWORKS/DEVOLVED RELATIONS

The Committee considered documents **L/19-21/62, 63 and 66** and *agreed* that the Chair should write as proposed to Edward Argar MP, Minister of State for Health.
