Build Back Better World (B3W) initiative

Dear Lord Ahmad,

Following your [letter](#) to the Committee in January 2022, I am writing to seek an update on the Build Back Better World Initiative. I would be grateful if you could provide an update setting out:

- (a) a list of projects which will fall under this initiative,
- (b) whether these projects will fall under (i) the Clean Green Initiative and (ii) British International Investment and
- (c) which of these projects will be counted as part of the UK's ODA budget.

Finally, could you comment on reports that the Build Back Better World Initiative is being rebranded?

I would be grateful for your response by 1 June. The Committee intends to publish this letter and your response.

Yours sincerely,

Sarah Champion MP

Chair of the Committee
