Dear Liz,

Reform of the Gender Recognition Act

Thank you for your letter dated 2 August responding to our concerns about the late publication of proposals on reforming the Gender Recognition Act.

Your response did not address why the proposals are being published later than promised or give a specific timescale for publication.

Our Committee would like to know why the clear commitment to publish before the summer recess was not fulfilled. We would also like to know when, specifically, the proposals will be published.

Rt Hon Caroline Nokes MP
Chair, Women and Equalities Committee
