Dear Caroline,

Thank you for your letter of 22 July about Reform of the Gender Recognition Act 2004 (GRA).

I am committed to supporting LGBT people and improving the lives of all citizens. I was clear in the most recent Women & Equalities Questions that we will not be rolling back the rights of transgender people in the UK.

As the Prime Minister has set out, we will be announcing next steps on the GRA over the summer.

Thank you for your letter.

Best wishes,

THE RT HON ELIZABETH TRUSS MP
Minister for Women and Equalities
