29 September 2020

Dear William,

Debate on renewal of provisions in the Coronavirus Act 2020

Thank you for your letter of 17 September to the Chancellor of the Duchy of Lancaster about the S98 debate on Wednesday.

You will know by now that we have published the information you requested, to inform colleagues about the case for renewing these provisions as part of the six month debate (<https://www.gov.uk/government/publications/coronavirus-act-analysis>), and I am grateful to the committee for having made this very useful suggestion. This document includes the information relating to the status of these provisions that you also asked for.

I will shortly respond in full to the committee's report "Parliamentary Scrutiny of the Government's handling of Covid-19".

I have copied this letter to recipients of yours.

Yours ever,

MATT HANCOCK
