Tackling Violence Against Women and Girls

Dear Home Secretary,

I write to ask for updates on two pieces of work outlined in the Tackling Domestic Abuse Plan.

- What is the timeframe for the development and implementation of the Immigration Enforcement Migrant Victims Protocol?
- We understand the evaluation of the Support for Migrant Women pilot scheme is due to be completed by the end of July.¹ Is the evaluation on schedule?

As I, along with the Chair of the Women and Equalities Committee and Acting Chair of the Joint Committee on Human Rights, requested in our letter of 1 July, it would also be helpful if the Government could share the evaluation with our Committees as soon as possible once completed.²

Yours sincerely

Dame Diana Johnson MP
