Former members	Attendance
Overall	80.1%

Note: attendance rates at any particular committee will reflect other parliamentary commitments by Members, including membership of other select committees meeting at the same time or commitments in the Chamber or at public bill, delegated legislation or other parliamentary committees. Attendance rates can also be affected by such things as longterm illnesses, family illnesses or caring responsibilities. In

some cases, a Member may have indicated an intention to leave the committee but has not yet been discharged by the House.
