Dear Chancellor,

On behalf of the House of Lords Economic Affairs Committee, which I chair, congratulations on your appointment as Chancellor of the Exchequer. I look forward to working together, including on our current inquiry into the UK's labour market.

The Committee has enjoyed the opportunity to hold an annual evidence session with your predecessors. As such, I would like to formally invite you to give evidence to the Committee before the end of the calendar year.

Over the course of 2022, the Committee has undertaken inquiries into Central Bank Digital Currencies and UK energy supply and investment. I attach a copy of the final report to this letter. The Committee is keen to discuss with you these topics, as well as obviously the overall economic situation.

I look forward to hearing from you and your office as to when you might be able to attend.

Yours sincerely,

Lord Bridges of Headley
