

HOUSE OF COMMONS

LONDON SW1A 0AA

Kate Green MP
Chair of the Committees on Standards
House of Commons
London SW1A 0AA

5th November 2019

Dear Kate

Re: Your recent Committee Report into my interests.

Further to your report into my interests, which was the subject of a complaint from the Commissioner for Standards, I ~~am~~ now writing to tell you that I accept the decision of your Committee and I apologise unreservedly.

As I mentioned to you in my first letter to the Committee, I have always been assiduous and conscientious in keeping my register entry up to date. However, on this occasion, I was too slow to respond to the advice and instructions of the Commissioner, and for this I am once again extremely apologetic.

I can certainly confirm that as at today's date, my entry into the Register is completely up to date and in order.

Kind regards,

Chris Evans
