DELIBERATION IN PRIVATE

1 Minutes from 15 October meeting

The minutes of the meeting on 15 October were agreed.

2. Consideration of written appeal against the findings and recommended sanction of the Commissioner for Standards

The Committee considered three memoranda written by the Clerk to the Committee outlining the decisions that needed to be made on the appeal.

In his opening remarks, the Chair reminded the Committee that it was an appellate body with a limited role. He also reminded the Committee that the definition of “plainly wrong”, the test by which the Committee was to assess the appeal, was “a result which no reasonable person could have arrived at.”
