UK Supreme Court and the Judicial Committee of the Privy Council

ESTIMATES MEMORANDUM –SUPPLEMENTARY ESTIMATE 2022-23

Introduction

The administration of the UK Supreme Court (UKSC) and the Judicial Committee of the Privy Council is a non-Ministerial Government department created by the Constitutional Reform Act 2005.

The UKSC is the final court of appeal for all United Kingdom civil cases, and criminal cases from England, Wales, and Northern Ireland. The administration's aim is to provide an environment which enables the Justices of the Supreme Court to perform their duties in an effective, visible, and accessible way, and which best develops the rule of law and the administration of justice, both in the UK and in the countries, which use the Judicial Committee of the Privy Council.

The primary purpose of this Memorandum is to provide the Committee with an explanation for the changes proposed in the UK Supreme Court's 2022-23 Supplementary Estimate (SE), compared to the Main Estimate (ME) together with an overview of the associated impact on the Department's budgets and net cash requirement.

We would like to inform the Committee that there are no changes proposed or new functions which have been added within this Estimate and therefore no changes are required to the Ambit.

The UKSC is not submitting a Supplementary Estimate for 2022-23, consequently there are no changes required to Resource, Capital DEL, AME, or Net Cash Requirement.

The UKSC does not require any budget transfer from other government departments or virements. Our estimate will remain as per the mains estimate and totals are shown below for completeness:

	Estimate		Total
	Voted (£m)	Non-Voted (£m)	Total (£)
Resource	4.783	3.000	7.783
Capital	0.704	0.000	0.704
AME (Resource)	1.000	0.000	1.000
Net Cash Requirement	4.037	0.000	4.037
