Dear Andrew,

I am very much looking forward to your appearance before the Economic Affairs Select Committee on Tuesday 13 June as part of its current inquiry into the operational independence of the Bank of England.

On behalf of the Committee, I would be most grateful if you could provide a summary note of the various internal and external reviews that have been conducted on the Bank's operations and governance since the 2008 Great Financial Crisis, and how the Bank responded to these reviews and their recommendations. We would also like a short summary of the output of the Independent Evaluation Office.

Given this is of importance to the topics we are likely to discuss on 13 June, we would be grateful if your office could share this with us by the morning of Thursday 8 June.

George

Lord Bridges of Headley MBE
Chair of the Economic Affairs Committee
