Dear James,

Information Request: Contracts awarded to Fujitsu

Please can you provide the Committee with details of any contracts awarded by your organisation to Fujitsu Services Ltd, or any other Fujitsu Global-owned entities since 2019, or that were in operation after 2019.

In your reply, please can you provide:

- Details of the type of contract, including but not limited to the value, length and whether it was tendered for through open competition or directly awarded. If a contract was directly awarded, please provide the rationale.
- Whether considerations of supplier risk, including but not limited to whether the impact of reported issues with the Horizon system, were taken into account in any contracts awarded or not awarded to Fujitsu.
- Whether you took, or considered taking steps to bar Fujitsu from bidding for any contracts you put out to tender;
- Whether you received directions or advice from any other part of government or the public sector about whether Fujitsu should be allowed to take on any contract you put out for tender;
- What processes you have in place to measure the performance of any contracts, especially for software and services, and the results of any monitoring of Fujitsu's performance;
- Whether you received internal and/or external commentary, including from auditors, on the appropriateness of any contract (and the provision within that contract) with Fujitsu;
- If you had a contract with Fujitsu, whether you considered terminating that contract, and if so why.

We would be grateful for any assistance you are able to provide the Treasury Committee with in enabling public scrutiny on this matter.

In line with the Committee's usual practice, I will be placing this letter and, in due course, your response in the public domain. I would be grateful for a reply by 1 February 2024.

Best wishes,

- Details of the type of contract, including but not limited to the value, length and whether it was tendered for through open competition or directly awarded. If a contract was directly awarded, please provide the rationale.
- Whether considerations of supplier risk, including but not limited to whether the impact of reported issues with the Horizon system, were taken into account in any contracts awarded or not awarded to Fujitsu.
- Whether you took, or considered taking steps to bar Fujitsu from bidding for any contracts you put out to tender;
- Whether you received directions or advice from any other part of government or the public sector about whether Fujitsu should be allowed to take on any contract you put out for tender;
- What processes you have in place to measure the performance of any contracts, especially for software and services, and the results of any monitoring of Fujitsu's performance;
- Whether you received internal and/or external commentary, including from auditors, on the appropriateness of any contract (and the provision within that contract) with Fujitsu;
- If you had a contract with Fujitsu, whether you considered terminating that contract, and if so why.

We would be grateful for any assistance you are able to provide the Treasury Committee with in enabling public scrutiny on this matter.

In line with the Committee's usual practice, I will be placing this letter and, in due course, your response in the public domain. I would be grateful for a reply by 1 February 2024.
