Dear Mr Tidswell

Post Office and Horizon: Ensuring fair and swift redress

Thank you for your letter earlier today. The Committee is pleased that you recognise the importance of parliamentary scrutiny and that you have agreed to share the requested documents without the need for the Committee to exercise its powers to send for papers. The Committee has agreed to accept your extension request.

With regards to your query on document (c), thank you for clarifying what document you believe this is relating to. To confirm, the Committee would like an unredacted copy of the 80-page document relating to a separate investigation into another individual. We would appreciate it if this could be provided alongside documents (a) and (b). The Committee is expecting to receive all three requested documents by **9am on Wednesday 6 March**.

As always, if you have any questions, please get in touch with the Clerk of the Committee who will be able to assist you.

Yours sincerely

Chair of the Business and Trade Committee
