Dear Michael,

Parliamentary Scrutiny of Institutions with Devolved Powers

The Liaison Committee met on Tuesday 12 March, and as part of our deliberations we agreed to publish the exchange of correspondence between you and I, dated 19 December 2023, 18 January 2024 and 21 February 2024.

This led to a discussion in the Committee, which raised a number of issues with this policy. The Committee had asked that I write further to you, setting out the concerns raised.

Since that meeting I have received in copy the letter to you from Clive Betts, Chair, Levelling Up, Housing and Communities Committee, dated 18 March.¹ This helpfully covers the issues the Liaison Committee would like further information on, and we look forward to receiving a copy of your reply.

Yours ever

Sir Bernard Jenkin MP
Chair of the Committee
