Dear Lord Foster of Bath,

Post Office (Horizon System) Offences Bill: House of Lords Introduction

You will have seen our letter issued earlier today informing Peers that the Post Office (Horizon System) Offences Bill has been introduced in the House of Lords today.

We expect that the constitutional implications of this Bill will be of great interest to your members. In light of this, we thought it prudent to write to you directly to offer separate briefing for your members, should they be interested. Our offices will be in touch to arrange this.

This Government is continuing to work hard to right the wrongs of the past and ensure swift exoneration and financial redress for victims of this scandal.

We will be in touch with further details in due course.

Yours sincerely,

Lord Offord of Garvel CVO
Minister for Exports
Department for Business and Trade

Lord Bellamy KC
Parliamentary Under Secretary of State
