Greg Clark MP - Chair, Science, Innovation and Technology Select Committee

Re: Vaccination Data

Dear Chairs,

Thank you for the opportunity to provide your committees with further evidence in February and March. At both sessions questions were raised relating to vaccine data, and I advised I would provide more information when it became available - see SITC Q428-Q430 from Mr Stringer and HSCC Q1638 from Mr Green.

I would like to draw to your attention a letter co-signed by several MPs, including Mr Stringer and Mr Green, relating to the same matter. UKHSA contributed to the detailed response to this letter which was recently sent by Parliamentary Under-Secretary of State for Public Health, Start for Life and Primary Care, Dame Andrea Leadsom MP.

I trust that the contents of the reply (attached) address the aforementioned questions posed by Mr Stringer and Mr Green.

Kind regards

Yours sincerely,

Professor Dame Jennifer Harries DBE

Chief Executive Officer
