Dear Lord Mance,

RE: LORD MAGAN OF CASTLETOWN

I very much appreciate the consideration shown to me by yourself and other members of your committee.

I explained at some length in my communication of 18 December 2020 to Chloe Mawson, Clerk of the Journals, the background to the short suspended sentence I received in the Family Court on 7 October 2019.

I obviously very much regret that, at the appropriate time, I did not properly communicate to the Court the reasons that I was not able to attend the hearing on that day.

I would like to apologise to you, as Chairman of the House of Lords Conduct Committee, for the fact that I inadvertently breached Section 18 of the House of Lords Code of Conduct.

Yours sincerely,

George Magan

(Lord Magan of Castletown).
