Invitation to give oral evidence

Dear Ambassador,

I am writing to invite you to give oral evidence to the International Development Committee at an evidence session next Tuesday (3 December), regarding the humanitarian situation in Gaza, Israeli settlements in the occupied West Bank, and legislation concerning UNRWA recently passed by the Israeli Knesset.

We will be holding the evidence session between 2pm and 4.30pm. We would be content for you to give evidence remotely via video link, if necessary. If you are unavailable to give evidence in person, we will follow up with a letter detailing our questions, and we will be grateful for your response in writing.

I look forward to hearing from you. In line with our practice with Committee correspondence, we will put this letter and your response in the public domain.

Yours sincerely,

Sarah Champion MP
Chair of the International Development Committee
