CONTINGENT LIABILITIES FOR THE EUROPEAN CENTRE FOR MEDIUM-RANGE WEATHER FORECAST HQ PROJECT

Dear Sarah,

Thank you for forwarding a copy of the Departmental Minute, dated 26 September 2024, notifying me of the contingent liabilities in relation to the creation of a HQ for the European Centre for Medium-Range Weather Forecast at the University of Reading Campus.

I have nothing to raise on this matter, but I understand that the NAO will continue to assess the impact of all contingent liabilities as part of their audit work.

Yours Sincerely

Sir Geoffrey Clifton-Brown
Chair of the Committee of Public Accounts
