LONDON SW1A 2AS

Scrutiny of EU documents: files considered to have been cleared

In light of the end of the Brexit transition period and the substance of the UK/EU Trade and Cooperation Agreement (TCA), we have undertaken an audit of the EU documents that we currently hold under scrutiny.¹ Our approach to this audit was to identify a limited number of files—which we consider to be legally and/or politically important—that we will continue to scrutinise.

The files that we retain an active interest in are detailed in the Annex to this letter. These are files that amongst other concerns: (i) engage the Protocol on Ireland/Northern Ireland to the UK/EU Withdrawal Agreement; (ii) are relevant to the TCA; and/or (iii) concern the UK's new relationship with the EU more broadly. We expect to continue to scrutinise and engage with the Government on these files and ask that all outstanding and future requests for further information are promptly addressed.

Files not listed in the Annex to this letter are deemed to have been cleared from scrutiny and all open correspondence between the Committee and the Government closed. We will consider all Explanatory Memoranda and correspondence on documents deposited since 1 January 2021—that are not included in the Annex to this letter—but no further follow-up is expected. We will continue to scrutinise and report to the House on all new EU documents deposited by the Government.

I am copying this letter to Lord Kinnoull and Christopher Johnson in the Lords; Parliamentary Clerk, Cabinet Office; Les Saunders, Cabinet Office; and all departmental scrutiny coordinators.

CHAIR

¹ In accordance with [Resolution of the House of 17 November 1998](#) (the Scrutiny Reserve Resolution); the binding nature of which fell away when the UK ceased to be an EU Member State on 31 January.

Annex

Council / COM number	Name	Responsible department
9871/18	Proposal for a Council Regulation establishing the Research and Training Programme of the European Atomic Energy Community for the period 2021-2025	Business, Energy and Industrial Strategy
