CORRECTION TO PAC TRANSCRIPT

Dear Sir Geoffrey,

I write with regards to the transcript of the session on 7 April 2025. I misspoke in relation to the name and date of one of the redress schemes and would like to correct the record.

Page 3, question 1 of the transcript, states “there was the introduction of the Horizon compensation repayment scheme in January”.

I should have said “there was the introduction of the Horizon ~~compensation repayment~~ *Convictions Redress* scheme in *July 2024 January*”.

This does not make a material difference to my answer, but for the sake of accuracy I would be grateful if the record could please be amended to reflect these details.
