

Public Administration and Constitutional Affairs Committee

attendance for Session 2024–25, as at 9 April 2025

The Committee was nominated by the House of Commons on 2 March 2020.

Note: Members of Parliament value the opportunity to be a member of a select committee and will try to participate as fully as they can. Not all the work they do happens in formal meetings. As Members of Parliament, committee members have other duties in the House that may sometimes limit their attendance at select committee meetings. They may have commitments in the Chamber or Westminster Hall, or on other parliamentary committees, such as those scrutinising legislation. Most belong to political parties and may have to attend meetings and events in that capacity. Some hold official front-bench positions or work in support of those who do. Most will, on occasion, need to put a constituency issue ahead of committee attendance. Attendance rates can also be affected by such things as illnesses or caring responsibilities. In some cases, a Member might not attend if they have indicated they wish to leave the committee but the House has yet to discharge them.
