30 June 2025

Dear Ruth,

Department for Transport: Fines, fees and charges

In your letter of 15 May 2025, you asked for a list of fines, fees or charges levied by my department and its Executive Agencies. I am writing to provide you with the requested information.

Across the core department and its Executive Agencies there are over 550 fines, fees and charges, the bulk of which are from the Driver and Vehicle Licensing Agency, the Driver and Vehicle Standards Agency, and the Maritime and Coastguard Agency. Commercial charges such as Dart Charge have been excluded from the scope of this response.

As I said in the committee meeting, there are a number of fees and charges that have not been increased at all in the last 14 or 15 years and an increase is sometimes necessary to cover the operating cost of different systems.

A summary of the fees, fines and charges is attached. Some have been grouped where they are within the same fee category and was last updated at the same time.

Yours sincerely,

Rt Hon Heidi Alexander MP
