Dear Andy,

ANNUAL REPORT AND ACCOUNTS 2024-25

I am pleased to let you know that the UK Supreme Court and Judicial Committee of the Privy Council's Annual Report and Accounts which covers the financial year 2024-25 can be found here:

[The Supreme Court Annual Report 2024 25 0ad2802fb7.pdf](#)

The Report incorporates the audited accounts for that period and has been laid before Parliament.

Throughout 2024-25 we have reflected on the first fifteen years of the Court through a series of events and moved forwards to the future with the successful completion of our Change programme. As a result of the programme, we now offer a digital, customer-centric, modern service to Court users and the public. The way we work has changed enormously as we adopt the latest user-focused technology but our welcoming approach and dedication to excellence has stayed the same.

The Court has heard a number of appeals of particular public interest that you can read about in the report. This includes cases of great significance to the UK and also international disputes, reflecting the high level of confidence in the UK judiciary as a trusted place to seek justice.

Alongside our education and outreach work with students and the public, we also work with Parliamentarians, with the aim of promoting greater understanding of the rule of law and its relationship with democracy. Following the 2024 UK General Election, we were able to contribute to new MPs' induction,

providing print and video materials on the rule of law and the role of the Supreme Court and we have welcomed many MPs to the Court.

We continue to be driven by our vision to be a world leading Court. We have five strategic priorities that are:

- Serving the public
- Providing a world class service
- Focusing on our people
- Engaging outwards
- Diversity, inclusion and belonging

The Annual Report provides a summary of the Court's work in all these areas and I hope that you find it an interesting read.

Finally, I would like to acknowledge the work of my colleagues whose commitment to supporting the Justices and serving the public has been the driving force behind our success this year. This year's achievement would not have been possible without their hard work, passion and dedication.

Yours sincerely,
