Routes to Settlement

Dear Home Secretary

Thank you for your department's written submission to our inquiry into routes to settlement.

We are aware that the Home Office has conducted an equality impact assessment on the proposed changes set out in the statement and accompanying consultation "A Fairer Pathway to Settlement".

We request that the Home Office shares its impact assessment with the Committee, by 9 January 2025, as this will be very useful to our inquiry. We would expect to publish the impact assessment.

Yours sincerely

Rt Hon Dame Karen Bradley MP
Chair of the Home Affairs Committee
