Dear Dame Chi,

I am writing to inform you that the Department for Science, Innovation and Technology has recently agreed a new Shareholder Framework Document with UK Government Investments and Ordnance Survey.

The Shareholder Framework Document describes the governance relationship between DSIT (as Shareholder), Ordnance Survey (OS), and UK Government Investments (UKGI) as Shareholder Representative. It is a requirement of Managing Public Money and is one of Ordnance Survey's core constitutional documents.

I will place a copy of this letter and of the Framework Document in the Library of the House.

Yours sincerely,
Ian Murray
