Dear Lord Stirrup,

As the Prime Minister announced in an oral statement to the House of Commons earlier today, the next UK-EU Summit will take place in Brussels on Friday 20 November. The full announcement can be found on [GOV.UK](https://www.gov.uk).

This year's Summit will take forward our ambitious agenda to deepen UK-EU ties to support Europe's shared security and prosperity, helping us tackle the real-world issues people face: lowering costs, driving growth, and building a strong economy.

Now we have finalised a date for the Summit, my officials will be in touch with yours to agree a post-Summit date for my appearance before the European Affairs Committee.

I look forward to working with you as we approach this important milestone in the UK-EU Strategic Partnership.

Yours sincerely,
