The Rt Hon Anne-Marie Trevelyan MP
Minister of State for Business, Energy and Clean Growth
Department for Business, Energy and Industrial Strategy
1 Victoria Street
London
SW1H 0ET

22 March 2021

Dear Anne-Marie,

Radioactive Substances Common Framework

Thank you for your letter of 22 March providing the Committee with further detail of stakeholder engagement relating to the Radioactive Substances Common Framework.

Having reviewed the documentation you have provided, I can confirm my Committee does not intend to undertake further scrutiny of this framework.

I look forward to receiving the summaries of the remaining five common frameworks within the BEIS remit.

DARREN JONES MP
CHAIR, BUSINESS, ENERGY AND INDUSTRIAL STRATEGY COMMITTEE
