Dear Anne-Marie,

## **Mineworkers' Pension Scheme**

Thank you for you giving evidence to my Committee's inquiry into the Mineworkers' Pension Scheme.

I am sure, having had time to review our report on this topic, that you will appreciate the urgent need to find a more equitable arrangement for the Scheme's beneficiaries.

I note that in your evidence to us, you said you have not personally had any dealings with the Trustees. I therefore ask that you personally meet with the Trustees to discuss these issues, at the earliest opportunity.

I trust you will consider carefully the points made by my Committee, and that you will approach future discussions with the best interests of the Scheme's beneficiaries foremost in your mind.

This is an issue which my Committee will continue to follow with interest, and I have therefore asked the Trustees to keep me abreast of the outcome of any future discussions with the Government.

Yours sincerely,

**Darren Jones MP**  
**Chair of the Business, Energy and Industrial Strategy Committee**

Cc. Chris Cheetham, Chair of Trustees, Mineworkers' Pension Scheme
