## **Letter to the Home Secretary regarding EES and ETIAS**

Many thanks for copying me into your recent letter to the Home Secretary regarding the creation of the Entry/Exit System (EES) and the European Travel Information and Authorisation System (ETIAS). A copy of the letter has been circulated to our Committee for information.

I would be grateful if you could alert us when you receive the response from the Home Office. While the Committee is currently not conducting any inquiries related to the matter, I am sure it would welcome being kept informed of the various issues raised in your letter.

It is very welcome to see the House of Lords Justice and Home Affairs Committee in action and I look forward to keeping in contact about our respective work.

Yours sincerely

**Sir Robert Neill MP**  
Chair  
Justice Committee
