

# Formal Minutes of the Committee of Selection in Session 2021–22

The Formal Minutes of a select committee record its formal proceedings and decisions.

They include:

- the names of the members who attended (all or part of) each meeting of the Committee;
- declarations of members' interests;
- details of written and oral evidence reported to the House by the Committee;
- any other formal decisions taken by the committee (recorded as 'orders' or 'resolutions'), for example to begin an inquiry, to report evidence to the House, to make a visit or to appoint a specialist adviser; and
- visits made by the Committee.

When the Committee publishes a Report, the Formal Minutes relating to consideration of the draft Report are published with the Report itself, and are not included in this document. You can find these reports on the Committee's webpages.

For more information about Formal Minutes, see [Erskine May paragraph 38.26](#).

Transcripts of oral evidence taken in public by the Committee are available on the Committee's webpages.

Attendance statistics for members of the Committee are available on the Committee's webpages.
