Dear William,

I would like to thank you for your committee's endorsement of my appointment as Commissioner for Public Appointments. I have started in the role and am looking forward to taking on all the challenges. I am contacting Permanent Secretaries to discuss the work on their appointments teams, and meeting with various stakeholders who work to increase diversity in public appointments. I hope to continue to build links with all involved in the public appointments system.

I am looking forward to keeping in contact with your committee and reporting on my work and the functioning of the system.

With best wishes,

William Shawcross
Commissioner for Public Appointments
