Dear Caroline,

In June 2021, the Equality Hub launched a competition to select a new Commissioner to join the board of the Equality and Human Rights Commission (EHRC). Following the report received from an Independent Advisory Assessment Panel chaired by Baroness Falkner, I am pleased to let you know that I am appointing Akua Reindorf as a Commissioner of the EHRC for a four-year term.

I am clear that Akua's strong legal background will support the Commission in its important work.

Best wishes,

Liz Truss MP
Foreign Secretary and Minister for Women and Equalities
