Dear Mr Halfon,

I am writing further to my appearance at the Education Committee's oral evidence session on 22 March 2022. During the evidence session I said that the Office for Students had met with Tell MAMA and the Federation of Student Islamic Societies (FOSIS) as part of our work to develop a statement of expectations for preventing and addressing harassment and sexual misconduct affecting students in higher education¹.

I would like to clarify that while we made several attempts to meet with FOSIS as part of this work we did not receive a response to our invitations. We did however meet with Tell MAMA.

Yours sincerely
